

2010 National Women's Health Conference

March 4, 5, 6, 2010

Las Vegas, NV

*Pre-conference Workshops
Relevant and Current Women's Health Topics*

16 plus hours of CME

Why should you attend?

This is what past attendees had to say...

"Excellent CME with contemporary topics tremendously valuable in every day clinical practice with both practicality and reasonable cost." - John Turner, PA

"This is one of the best conferences that I have ever attended. Great speakers make a difference!" - Susan Carroll, RN, MSN

"This is one of the best conferences I've attended. This year (2009) was my second. The presenters were excellent, staff were attentive, timely topics with pearls that I could use in my practice immediately." - Laurel Von Syda, ARNP
